SUMMARY OF PROGRESS SINCE LAST REPORT:

Kevin is doing well and everything with his parents is great. He attends church on Sundays. Kevin is attending the local high school. He is a star swimmer as he was in Florida. Kevin is in compliance with all of the Florida court ordered conditions as well as the conditions placed by his Ohio probation officer. He has a good attitude and excels in everything he sets out to do. He is a positive leader among his peers. Kevin's relationships with all of his peers are good and has not had any problems since moving to Blue Ash. Kevin and his parents have long since completed his anger management counseling. Kevin continues working at the Pottery Barn where he is employed as the stock clerk.

As the assigned probation officer, I feel that Kevin should be discharged from probation at this time. He has completed all of the terms and conditions of his probation. Kevin is a contributing and positive member of society.
